

# WHAT IS SELF-CARE, ANYWAY?

Self-care is the regular practice of prioritizing your well-being.

## TRY BUILDING ROUTINES INTO YOUR LIFE AROUND:

### FOOD

Fueling your body with nutritious foods.

### MOVEMENT

Moving in ways that bring you joy, however you are able to.

### SLEEP

Making time for your body and mind to rest.

### "YOU" TIME

Spending time in ways that help you feel well.

- Being alone after a busy day.
- Consulting a professional (dietician, therapist, doctor).
- Spending time in ways that align with your values, rather than what you think you "should" do.
